

**A NEW annual supplement focused on innovation, tips, date & trends focused on patient engagement.**

**The Patient Report** is brand new annual supplement to MM&M that will pull together the latest, data, trends, insights, observations, opinions and tips for engaging with patients and making sense of consumer behavior in the healthcare space. It will also feature a special showcase of companies that specialize in patient engagement and healthcare consumers, rounding out an invaluable one-stop resource for healthcare marketers and communication executives. **This special supplement will also have bonus distribution at the DIA Annual Meeting in San Diego, CA, June 15-19.**

## EDITORIAL

A robust section of editorial content will explore many off the evolving and future trends affecting the industry, from advances in digital technology and data/analytics capabilities to shifts in marketing strategy.
